

Dear Parents, Guardian, perspective client;

Thank you for choosing WINGS for your Childs Chemical Health Recovery. Our staff schedules are very busy so it is very important that you arrive at your scheduled time the day of admission. If you are going to be later than your scheduled time, please call us to let us know or you may risk not being admitted that day.

If you child has court while at Wings, it is the families responsibility to transport. Many times courts will allow "court via phone". If your child must appear, WINGS will need a copy of the court order. This can be obtained by calling the Court Administrator. Ask them to fax a copy to WINGS at 320-593-0442.

***Smoking is prohibited by all individual of any age on the WINGS property. Wings leases class room space and we must follow the Minnesota State Law of no tobacco products anywhere on the grounds (this includes smoking in your car in the parking lot). If an adult has to smoke, they must completely leave the WINGS grounds to do so.***

**Thank you for obeying the Law!**
